Magistrate Judge Andrew M. Edison

**MOTION TO REQUEST ABILITY  
TO FILE ELECTRONICALLY**

It would be greatly appreciated if the Court would approve a motion to allow Defendant's the ability to file electronically. This has been discussed with the Plaintiff's counsel and they do not object to same. When in the Courtroom last week I handed them this request, they have sent me an email stating it was fine as well. If it is required for me to mail you the Plaintiff's not objecting to same I will send under separate cover.
